

Directions to the Center for Functional MRI at UCSD

Exact Address:

UC San Diego Center for Functional MRI
W. M. Keck Building
9500 Gilman Drive
La Jolla, CA 92093
(858) 822-0513

If using GPS, please navigate to:

“Center for Functional Magnetic Resonance Imaging”

Use the map below for precise navigation to the Center parking spots from this intersection

If not using GPS:

1. Take the **8 West** or **52 West** to **I-5 North**
2. Exit I-5 North at **Gilman Drive**
3. Turn **left** onto Gilman Drive
4. Stay on Gilman Drive until you reach a four-way stop light
Intersection: Gilman Drive & Osler Lane
5. Turn **right** onto **Osler Lane**
6. Follow Osler Lane until you see a set of parking spots on your **right**, located immediately before the stop sign, at the intersection of Osler Lane & Pharmacy Lane

Please park in spot number: _____

A research assistant will greet you with a parking pass that should be displayed on your dashboard.

Feel free to contact the study team at (619) 878-3636 if you are delayed for any reason, have trouble locating the Center and / or have any questions or concerns regarding study participation. We are looking forward to seeing you!
